November Tournament At "California Country Club"

Our final tournament of the year will be held at the "California Country Club". This is our annual turkey-shoot with a sit-down lunch following play. You will be matched against another golfer with a similar handicap so you have a fifty-fifty chance of bringing home a frozen turkey. So plan ahead and enjoy a good day of golf and fellowship.

See you on November 17. As always it is a big help when you get your application in early.
